decked the table, and added to its plensing eppearance by the pretty bouquet in its center.

Nover had a meal tasted se well to life. Already he was half in law.

The mere he talked with Jessia the more he found her lively, unembarassed, and witty.

The mere he talked with Jessia the more he found her lively, unembarassed, and witty.

The mere he talked with Jessia the more he found her lively, unembarassed, and witty.

rassel, and witty.

That evening Jessie sang for him, and Leslie discovered that he was fomiliar with many of her songs, and to slide from the box, he con call the turn every time.
I was readin' in the Bible lo-day so he blemled his tine roice with hers, while Fred played a flate accompanintent.

It was late before the young peo-ple retired. When Jessie laid her ed the steps of the slower-footed do-mestics and lent a helping band. But I cannot describe each day, as

it flitted away on the wings of the summer sanshine, nor how Lrslie sul Two wreks passed. They were the heppiest Les'ie had ever known Then his sister came to make a visit to Jessir, Leslie having were the law to Jessir, Leslie having were the law went broke on, but I reckon he got steered up inglu wome brace game. But anyhow he got left with parts to Jessir, Leslie having written to urge the acceptance of the invitation. A werm friendship sprung up, at once, between the two girls.

The summer wanted, and now Les-lio resolved to know his fete from dessie's lips, not that he was despendent exactly; but when she seemed to feel ils influence most, she would sudden-

ly change and eppear to defy him.

One day ho had been out for a walk, and on his return, ho heard her weet voice singing. His spirits ruse, Another instnut and he would behold her, and slone, aims! precisely at that moment, and just us he turned the moment, and just us he turned the get into range? Did he call the dogs corner, where grew a thrifty young peach-tree, he found himself delugad husele around for nelub, and give him a stand off at the trout gate? Eli? Another instnut and he would behold hy a hucket of very warm soap-sads, simed by vigorous young hands at the

abashed.

"You mean that it was not warm enough," laughed she, the tenrs unning down her checks. Then, recovering herself, she hastened to explain.

"You must pardon me," she said. "It was quite unintentional, an you must know. Mother has a special fancy her that trees and shulks account the speaker paused, evidently framing in his mind a proper appliention of the story. Before he could resume a tall, blear-cycd gambler, with a fierce mustache, arose and said;

Talu't me as would try ter break the second of the story of the supplier of the story. know. Mother has a special fancy lor that tree, and thinks soap-suds beneficial to it, so she made me empty those het suds at its roots. I did not see you coming, and aimed rather

high. You really must forgive or," she added, with a pleading yet mirthfal glance in her eyes.
"I can forgive you only under one condition," he said, in a low tone, as he and soionsly soized her hands.

She tried to escape but he held her fest. And there we drop the curtain, only saying that cleave is to be married on her 17th birthday.

Fred end Edith will not wait so

long. The preparations are now heing made for their wedding, which will have taken place long before Jessio'a.

### The Mustache-

As I remarked alore, I do not want to make you any disrespociable breaks, but I must say that I have got it put up that the speaker has been trying fer feed unon cussed this taffy, and no one but a allly would take it in. Illi glared upon the speaker and fairly hissed: Do you mean to say that I am a liar?" "Wal, you say take it is to say that I am a liar?" "Wal, There is a great deal of character in the metache. As the torse of the upper lip and the regions about it have largely to drait with the feelings, pride, seli-reliance, manihuess, vanity and other qualities that give self-control to the innetache la more particularly connected with the expression of these qualities or the reverse. When the musiache la raggel and, na it were, flying fither and thither, there is a lack of proper self control. When it is straight and orderly, the reverse is the case, other things of control taken had account if there ahope. Bill pulled his revolver, and in an instant the bright barrels of numerous weapons flashed in the alr for active duty. The brevet praches was the first to lire, and the rash on the ground. Shot followed, shot in quick encocesion, and when quick was again restored a score or more tlead and wounded men were earried from the tent. Having eccured attention, Illi said: "Further proceedings to relication, and control for the day. You Plates, Steel Plates, generel libratra-tions, and the literary contents com-bine to make this old favorito leader of the Fashion periodicals the best that is belore the public. THE LOUISVILLE Weekly

THE LOUISVILLE COMMERCIAL, with daily and weekly editions, for years past recognized as a leading paper of the Boath and Week, was established in 186 by a number of Kantuckiaus for the purpose of discending these principles of individual liberty, civil equality, public honesty, end devotien to national constitution on which they believed the welfers of the whole country to depand, and which they felt it was especially important that the recola of Kautucky and the Southern Estates chould cordially accept and act upon. The paper has eteadfestly advocated and defended those principles during its whole career, and etil devotes Itself to their maintenance. It is a special friand to the davalopment and prospectly of the South on that foundation of justice to all, which is the only sure bests of permanent tranquillity and henithful progress.

THE WEEKLY COMMERCIAL is a large, Thiary and Column Papers, giving every week a continued novel and one or more completed stories, selections of the highest literary character end of the most general interest; full and accurate markat reports, a complate resume of the latest news, and well-written editorials on currant topics. It is well known as one of the highest and most valuable family paper in this country, and from its full Kantuckians having their homes in other States.
